Friday 11th February 2022

Dear Parent / Carer

The number of Covid cases in school remains low and so we are continuing with our planned removal of some of the restrictions still in place. Starting on **Monday 14th February**:

- Year group assemblies will resume
- Visitors and parents can be invited to on-site meetings
- School trips will resume
- Parents can be invited to on-site events e.g. Year 9 options evening at 6.30pm on Thursday 3rd March

If cases remain low following the changes above, it is anticipated that from **Monday 28th February**, we will move to a single break at 10.35am to 10.55am rather than the current split arrangements although. The split lunch will remain in place. We also expect to stop sending the 'warn and inform' letters to you when there has been a case in your child's class / group from this date.

We will continue to monitor the number of cases, and if they rise, it might be necessary to re-introduce some measures with the agreement of local Public Health.

Throughout the pandemic we have sent out regular surveys as part of our commitment to gather the views of parents / carers to ensure that we are providing the correct level of support for our young people. Thank you to those that have already completed the latest survey. If you have not yet done this, I would be very grateful if you would spend a few minutes to complete the questions using the link below:

Parent and Carer Survey

You will need to create an account to be able to access the questions. It would be very helpful if you would complete this before **Friday 18th February**.

Thanks for your continued support

Mr A Bridson
Headteacher
