Monday 16th September 2024

Dear Parent / Carer

Thank you for all your support; it has been an extremely positive start to the term with students all focussed on getting back into routines for the new school year.

Enrichment Activities

There is extensive range of extra-curricular clubs and societies and a full list is available on the school website at <https://www.clrchs.co.uk/wp-content/uploads/2024/09/Extra-Curricular-Clubs-Activities-2024-25.pdf>

This is regularly updated throughout the term.

Curriculum Summary

If you want to see what your child will be studying this year there is a wealth of information on the school website at <https://www.clrchs.co.uk/curriculum/>

A single page overview is provided for Years 7, 8 & 9 with a brief summary of the topics covered in all subjects throughout the year. You can also find out more detail about the content covered in each subject using the dedicated subject pages.

Laptop Loan Scheme

The laptop loan scheme has proven very popular with students and is in operation again this year. This enables students to borrow a device for a 24-hour period if required for homework / study. It is a self-service system located in the main Village Square and is free of charge. Students use their fob to borrow and return devices. Year 7 students will be issued with fobs and all other students can use the same ones as last year. Replacement fobs are available from the IT technicians at a cost of 70p.

I will continue to send regular updates so that you have all the information you need to make sure the start of term goes as smoothly as possible.

Mr A Bridson
Headteacher
