In Maintained Schools the board has the power to approve alternative arrangements for governors to participate or vote at meetings by telephone or video conference. This is set out in regulation 14 of The School Governance (Roles, Procedures and Allowances) (England) Regulation 2013. This also applies to Committee meetings.

INTRODUCTION

[\(back to contents\)](#)

It is important that the Committees of the Governing Board be properly and effectively formed. To this end, the following process will be followed:

1. The Clerk to the Governing Board shall manage the process on behalf of the Board during the first Governing Board meeting of each academic year.
2. Link Governors (Appendix K): Agree who will be the Safeguarding Link Governor(s). If more than one, then they must agree who will be the ex-officio member of the Curriculum & Pupils' Issues Committee. Agree the Additional Needs Link Governor, ex-officio a member of the Curriculum & Pupils' Issues Committee. Agree the Governors' Forum Representative and Substitute.
3. Agree the remaining membership of the Curriculum & Pupils' Issues Committee (Appendix A). The Headteacher will nominate at least one Deputy Headteacher or Senior Assistant Headteacher to be an Associate Member of the Committee for a specified term. A Chair must be appointed annually to the committee by the Governing Board or elected by the committee, as determined by the Governing Board. Committee members to agree by vote on a Vice-Chair.
4. Agree the membership of the Resources Committee (Appendix B). The Headteacher will nominate at least one Deputy Headteacher or Senior Assistant Headteacher to be an Associate Member of the Committee for a specified term. A Chair must be appointed annually to the committee by the Governing Board or elected by the committee, as determined by the Governing Board. Committee members to agree by vote on a Vice-Chair.
5. Agree the members of the Headteacher Performance Management Committee (Appendix F). Committee members to agree by vote on a Chair. Agree the Review Officer.
6. Close this process, as all remaining committees are formed from a pool of governors specified by their type, i.e. Foundation, Headteacher, Local Authority, Parent or Staff, within the Terms of Reference.

The Reference Table of Committee Members (Appendix N) will be updated after the meeting. Whilst this appendix forms part of this set of Terms of Reference, it is agreed that the Personal Assistant to the Headteacher will maintain this table and make amendments as requested, in writing, by any one of the Chair of Governors, Clerk to the Governors or the Headteacher. This appendix will be made available to the Governors, Clerk and Committee Clerks by electronic means.

NOTES

[\(back to contents\)](#)

Whilst the above process refers to the formation of committees, etc. at the first meeting of each academic year, this does not remove the right of the Governing Board to modify the composition of the committees, etc. at any full Governing Board meeting.

For committees that are formed from a pool of governors, based on eligibility criteria, an eligible governor may request that they be removed from that pool on reasonable grounds, with the agreement of the Governing Board; such removals are to be minuted.

For committees that are formed from a pool of governors, that committee shall as its first action agree by discussion which member will be the Chair.

The Governing Board has agreed that associate members of committees are there in an advisory capacity and shall not be accorded voting rights.

It should be noted that associate members are also bound by the same rules relating to conflicts of interest that apply to governor members.

The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013

20 (2) Any individual or committee to whom a function of the governing body has been delegated or that has otherwise exercised a function of the governing body, must report to the governing body in respect of any action taken or decision made with respect to the exercise of that function.

22 (2) The quorum for any meeting of a committee must be determined by that committee, but in any event must be not less than three governors who are members of the committee.

Introduction

Governors have a responsibility to monitor and evaluate the progress of their school and contribute to the school self-evaluation process. This can be done through a variety of methods including reports from the headteacher and senior staff, analysis of statistical data and, perhaps, through school visits as 'Link' Governors.

What is a link governor?

Put simply, a link governor is a governor appointed by the Governing Board to act as the link between the Board and a specific subject, curriculum area or aspect of the work of the school. The development of a good working relationship based on mutual trust with all staff is essential if the link governor is to be effective in this role.

Link governors must understand that their role is as a source of support to the school and a source of information for the Governing Board.

Link Governor Roles/Terms of Reference

1.1 Safeguarding Governor

It is recommended that the Safeguarding Governor should be the Chair of the Governing Board and the remit to include:

- To be familiar with LA guidance and policy relating to safeguarding and associated issues, and to attend training for nominated safeguarding governors.
- To ensure that the Governing Board puts in place a suitable Safeguarding Policy and associated procedures.
- To champion safeguarding issues within the school.
- To encourage other members of the Governing Board to develop their understanding of the Board's responsibilities with regard to safeguarding and assist them to perform their functions in respect of safeguarding children and young people.
- To remedy any deficiencies in the school's safeguarding practices which may be brought to Governors' attention by a member of school staff, a parent, an officer of the LA or from any other source.
- To meet regularly with the Designated Safeguarding Lead, or their deputy in absence, in order to monitor the effectiveness of the Governing Board's safeguarding policy. It is recommended that this is at least a termly meeting.
- To ensure that the Governing Board receives an annual report on the implementation of the school's safeguarding policy and procedures.

The Chair of the Governing Board will liaise with the Headteacher and the LA over matters regarding confidential safeguarding issues involving allegations against staff.

Where there is an allegation of abuse made against the Headteacher, the Chair of the Governing Board will take the lead in liaising with the LA and/or partner agencies unless another member of the Governing Board has relevant expertise which would mean that person was better fitted to take this role, including:

- Conducting a preliminary investigation to see if the circumstances of the allegation could have happened.
- Ensuring with LA support that appropriate action is to be taken in accordance with agreed procedures
- To attend initial and subsequent strategy meetings as required if other agencies are involved.

- To take the lead in an investigation under employment procedures in conjunction with advice/support from Schools HR Service

The Vice Chair of the Governing Board will deputise for the Chair in the Chair's absence as appropriate.

1.2 Safer Recruitment Governor(s)

From 1 January 2010 it became mandatory that any appointments of school staff are made by a recruitment panel that should include at least one person who has been trained in safer recruitment. Ofsted will request evidence as part of their inspection that each recruitment panel meets this requirement. The requirement for training to be accredited by the Secretary of State has been removed. Training should be through a recognised provider, however, such as the NSPCC or local safeguarding children board. Although there is no expiry date applicable to safer recruitment certificates, Governors have agreed that training should be refreshed at least every 5 years as good practice.

It is recommended that all Governors undertake safer recruitment training to enable them to sit on any recruitment panel that requires them.

Safer Recruitment Link Governors will monitor compliance with the statutory requirements of maintaining a Single Central Record (SCR) of Recruitment and Vetting Checks; that maintenance of the SCR and compliance with safer recruitment procedures, DBS and background checks are being monitored effectively by the Designated Safeguarding Lead; and that the SCR is audited annually by a competent person. Refer to the school's policy statement in relation to [Safer Recruitment, DBS & Background Checks](#).

It is likely that the Safeguarding Link Governor will also act as the Safer Recruitment Link Governor.

LINK GOVERNOR VISIT GUIDELINES

[\(back to contents\)](#)

The Governing Board is the ‘accountable body’ in a school – accountable to parents, pupils, the local authority and central government through Ofsted. It is responsible for everything from health & safety and safeguarding to the school budget, teaching & learning and pupil progress. Because governing boards have a statutory responsibility to monitor and evaluate the effectiveness of the school and its curriculum, governors need to know what progress is being made towards targets set out in the School Improvement Plan (SIP). Link Governor visits can help to support this process.

Ofsted inspection assumes that governors know the strengths and weaknesses of the school. This depends on governors assessing performance data presented to them by the Senior Leadership Team (SLT), and through staff links/teaching & learning leads, in the context of an understanding of what happens in the classroom.

It is also important to Ofsted that the Governing Board makes an impact on school improvement; meeting with key members of staff and becoming familiar with standards and progress are important aspects of this crucial role.

Governors are not qualified to assess standards but through Link Governor visits can come to:

- Appreciate and understand the work of staff and how the pupils are learning;
- Be aware of the response of pupils to their work
- Be aware of resource issues;
- Be able to ask appropriate questions;
- Understand as fully as possible the meaning of the results of monitoring reported to them.

N.B. Governors **are not** inspectors and **are not** there to make judgements about the professional expertise of staff. It would be inappropriate, therefore, for governors to:

- Make judgements about staff capability;
- Report on the progress of individual children;
- Pursue personal agendas;
- Arrive with inflexible, pre-conceived ideas.

Confidentiality

Confidentiality should be adhered to regarding school visits. Observations and comments should be shared with the link member of staff and the Headteacher but not with other staff or with parents. The approach of a governor should be to ask for explanations of anything not understood, not to make assumptions.

Reports to the Governing Board should not identify individuals in a critical manner: this is not the role of a governor.

Minimum commitment

Individual governors have differing amounts of time to commit; Link Governors should however aim to meet with the link member of staff at least once a year - or more frequently if reporting specifically to a committee or governing board meeting.
